“ *To Jean's family, I was so sorry to hear of her passing. We spent many wonderful years working together and became good friends. I think often of her and her family members that I knew. I wanted to be there for her service, but medical conditions in my family have prevented that. Please know I will always treasure the fun times I spent with Jean. She cut my hair, we went on trips together and enjoyed many meals together at our favorite restaurants. Those were good times to be treasured. God bless you all in your sorrow. Ted Conner*

“ To my sweet girls: Allison, Nannette, Alicia, Melanie, Madonna. I know you all are hurting but you know as hard as it may seem the Bible tells us to rejoice when a Saint goes home. Your Mama was a Saint and all the angels in Heaven are rejoicing. She loved her Lord, family, friends and her country. You all can always remember her as a saintly lady and I loved her so much.
