“ *Dear Yvonne and Linda....As a volunteer at National Health Care for the past 6 years, I experienced the joy of knowing Eunice. My first day on the job we met and bonded. She was a precious lady and a dear friend. Thank you both for your loving kindness and dedication to her. She loved you so much. Her love for gospel music and Elvis inspired me to get her the CD player and disc's . That music put her to sleep each night. Sweet Eunice, thanks for the memories. I will miss you. But you have no more pain. Rest in peace my sweet friend. Rhonda Bearden*
