“ Joan, Melissa, Hugh, Jennifer and all the great grandkids, There are so many memories it's hard to pick one. Evelyn had been our neighbor for 27 years. It was an honor, pleasure and a true blessing to be her neighbor. She has watched our own daughters grow up and she treated them as family. She taught us so much about so many things, antiques, home cooking but probably most about gardening and flowers. We have a little garden next to her back fence and its only there because of her encouragement and helpful hints, etc, and we will pass on all we learned as best we can. Favorite foods...fat albert, her pot roast, brown sugar pound cake and chocolate, homemade soups... but the family favorite was her biscuits. She was a dear friend and we will truly miss her. Don, Amy, Abby, and Alex Routman
