“ Sherrie and family, I am sorry I missed the funeral and visitation. Your mom was a wonderful woman, wife, and mother. She will surely be missed by all that knew her. May the Lord be with you all in the hard days ahead. I went by the house last Wednesday evening and saw a few cars there and had an idea this may have happened but was unsure. Sorry for your loss.

“ I'm so sorry to hear of Evonne's passing. My family lived next door to their summer home in West Virginia (they often used my family's phone to call home to SC). I loved both Johnny and Evonne as if they were my own grandparents. I spent much of my childhood sitting next door with Evonne looking for four leaf clovers under the porch stairs and eating Evonne's wonderful peanut butter fudge. Johnny would come next door and push me on the swing and would always aggravate me calling me a boy instead of the prissy little girl I was. They were the best extra set of grandparents I could have asked for. I hope your time of sorrow is brief and find comfort in fond memories.

“ Sherrie, I wish you and your daughters comfort for your broken hearts. I really enjoyed the visits with your Mom and Dad. Always made you feel welcome. I remember the time that me, Dad and Karen came down when Karen was around 13 or 14 months old and she and Johnny got potatoes out of the garden and when we came in the house she went to sleep in front of the fireplace. He thought that was funny. She always had to have some tea with Aunt Evonne. Lots of good memories. Keep in touch and we love you. She was the last of Mom's siblings. Sorry we can't be there but you will be in our thoughts. Love, Drema and Jim

*Sherrie, I know that Johnny and Evonne loved you girls. She would just light up when she talked about you all. I miss their visits to WV. She would always make tea and fried cornbread, delicious! So sorry we could not make it in time for the funeral but please know you and the girls are in my heart at this time. Aunt Evonne was a beautiful lady inside and out and I am truly thankful for the time we shared. I will be praying for comfort for your hearts. I love you all, Karen*

*Dear Sherry and family,*

*My thoughts and prayers are with you during this difficult time of your life. Evonne was very much like a sister to me and I loved her greatly. During the years she lived with us, we had great times to remember. I will also always remember the sweet times when I was able to visit with her and your father.*

*One thing that was always obvious is that they both loved you and the girls with all their hearts.*

*My prayer is that our Lord will bless you with peace and comfort during this time of loss.*

*I love you, Connie*

*Sherry, Sorry to hear about the passing of your Mom. She was a great and beautiful Lady. Miss them when they had the house next door. I always had a great time with them and looked forward to their visits. The love they had was obvious to anyone that was ever around them. I regret that I only got to visit them down there once.
