“ *I have many great memories of my Uncle Faber as a child & teenager. He always took time to play with me & joke around with me. He was a such a caring man & a great uncle.*

“ *Faber was a great brother-in-law and more important an even better big brother to Marsha. Her friends and even one of my aunts always called him big brother. I remember him as a man full of energy and never at a loss for words.*

“ Thank you Uncle Faber for your love and support. I'll never forget the fun gifts you would bring me when you visited. I especially liked the army outfit you gave me when I was 5. You were definitely the most fun of all my uncles!

“ I am very honored to have had Faber as a neighbor; I only wish that our time together was longer. My whole family thought so much of Mr. Hance when the kids were little they always talked to Mr. Hance and Ms. Betty. They were fun to have next door. He served during the occupation of Japan and even wrote a book about his adventures in life. We have been missing you a long time "half a chance".
