“ Mrs. Fannie knealt with me at the alter 43 years ago and I will never forget her beaming face and will always hold her in highest regard. Swiftly she came to our side when my Grandmother Mltchum went to her heavenly home and we shared another very special and sweet moment of conversation, I am very thankful for the love she and her church has shown my family over the years.

“ *To the Reese Family,*

Norma and I want you to know that we are praying for you. To lose both parents, so close together, can be heart breaking, I know the Lord's Grace has been sufficient. We watched the Memorial Service on the internet. It was a great tribute to a Great Lady. We have some great memories from speaking at the camp and the Church. Thank you for sharing your personal cards, and memories during the service.

“ If it wasn't for Ms. Fannie, I'd have never come to know Christ as my savior. She truly showed the love of Christ to everyone around her. She exemplified the godly woman depicted Prov 31 and was a woman after God's own heart. Preacher Bill may have been the preacher, but Ms Fannie was the pastor in the true meaning of the word. Never have I met a woman that completely devoted herself to God. I am blessed to have known her and been under her ministry for several years.

“ I was saddened to read about the loss of your loved one. It reminded me of losing my Grandmother a few years ago. There are no words to describe such pain. I know of a brochure that gave me much comfort when I was in pain and I can get you a copy if you wish. It's called "When Someone You Love Dies". Then, maybe you can find some comfort and some answers from the Bible, after all, 2 Cor. 1:3 says in part: "Blessed be the God and Father of our Lord Jesus Christ, the Father of tender mercies and the God of all comfort". If you would like a copy of the brochure, you can email me at tmmillard@yahoo.com and I will mail it to you free of charge.

Sharon, Susan and Faith, My thoughts and prayers are with you. Miss Fannie was and still is one of the most precious ladies that I have ever had the priviledge of knowing. My memories go back to my days in the youth group sitting under her teaching. I smile just thinking of her, because she truly had a heart for the youth. She leaves a legacy of love to all who knew and loved her.
