“ Dan, Jody :

*My thoughts and prayers are with all the family. Your Mother was a great woman and I still remember going to church with all your family. I know how much she meant to the both of you. I lost my Mother this past September and I still miss her. You Mother is up there in Heaven with your Father and having a good time. She was an awensome lady and she will be missed by all who knew her. If you need anything let me know. All my Love,
