“ My father, Lee Dowdle, absolutely loved Faye. The Dowdle family is so thankful for the many years of friendship our family shared with her and her husband, and for her endless dedication to the Merriwether community. If anyone was ever in need, Faye was always the first to be there.

When both of my parents were in their final days, Faye made a point to visit them as often as she could. Her kindness, compassion, and unwavering commitment will always shine brightest in her memory. I know she is in the best place and is flying high with the Lord. I have no doubt she heard "Well done."

Sincerely,
