“ Vicki and family, So sorry to hear this sad news. I know how much your Mama meant to you, and how much love you have for her. I wish and pray that you will be able to feel the comfort of all your friends and family during this time, as well as the comfort only the Lord can bring to you knowing how happy and beautiful she is right now. You all have memories you can cherish forever, and you can remember the funny things she did to bring joy to you. I could only wish everyone could have a daughter like you Vicki that would give so much of yourself to show your love. My sincere condolences to your entire family.

“ I know Vickie will really miss her mother. She and Mark were always so good to her and went above and beyond to meet her needs. Lisa was so close to her grandmother, and Briggs loved his GiGi. They should all be comforted knowing how well they took care of her and that she no longer suffers. The precious memories they have will help them deal with their grief and bring them peace. God will bless those who did his good work. Mackey and I will keep you in our thoughts and prayers. With love, Dell
