“Trey, Chris, & Keenan family, we just found out today that your Mom, Mother-in-law, Grandmother had passed away when our Christmas card was returned to us. We are so sad for your loss of Betty. Sadly, as our youth soccer family has aged, we lost touch. Betty Keenan was an amazing lady and respected soccer administrator not only in S.C., but across the South. She helped us grow "the game" for many, many years. All of us loved and respected her. Her leadership skills were amazing. Betty attended the first U.S. Youth Soccer national workshop meeting for participation of children with disabilities held in Denver, CO. Today's TOPsoccer program is the result of that meeting over 25 + years ago. The large registration numbers of girls & boys playing soccer across S.C. today is because of her efforts and fellow soccer pioneers. We are so sad that we could not be there to salute Betty at her funeral services. We know Will welcomed her to Heaven when Betty became a beautiful angel and joined him. We will be saying prayers tonight for Betty. May God always bless her wonderful Keenan family, Bob & Mary Brantley-Greenville, SC

“ *Of the few true friends I've had over my lifetime, Betty was my very best friend. She gave me the gift of her friendship UNconditionally; through all kinds of thick and thin, she was there for me. I don't think I have ever known anyone quite like her. She was true goodness. I love Betty, and I'll carry her in my heart forever. I am eternally thankful and honored that she was my friend. I also am grateful for Sacred Heart School— always such a vibrant part of Betty's life and mine, too. It is my hope that Christopher and Tres know how blessed they were to have her as their Mother; and Will, as his wife. I am thankful that Betty and Rodney had such fun, happy times together, and that he took such wonderful care of her to the very last day and beyond. And I thank you , Betty!*
