“Gloria, I will never forget when you began attending Lake Meredith. You told me that you wouldn't join until Junior came with you. I just figured you would be a guest from now on. But then you had a surgery and Junior saw our ladies love you through that. Somehow God used them to reach the old goat. I am so grateful, because that began a friendship that endured through the years. In 30 years of pastoral ministry I never had a better friend. And I never doubted how much he loved me. And there was never any doubt how much he loved you. But most of all, Junior's love for Jesus was always on display. Thank you for being such an amazing mate to my dear friend. I can't wait for all of us to be in Heaven together. I love you, my sister.

Jr. was a great friend. We worked together at the pantex garage. We spent wonderful times together fishing and hunting and just visiting. Not enough time to tell all the funny stories. Rest easy my friend.

He always treated me like gold from the day he met me. I would love it when he got in his story telling mood because you just knew it was going to be a good one. He would get so tickled telling us a funny story that he would start crying and laughing at the same time. At this point I couldn't make out a word he was saying but he had me in stitches. Fun memories.

Rest easy knowing that I will take good care of your little girl and your grandsons. I love you and I'll miss you Buggs. God bless you and yours.
