“ As I have reflected upon my life, God has brought to mind a few teachers who truly inspired and challenged me through the years to be my best. As my fourth grade teacher, Mrs. Baldwin was truly that! She would start each day by reading us a bible story and then having us to recite the Lord's Prayer together. She was a great teacher, loving and gracious while at the same time personally attentive and yet challenging. I have some of my fondest memories in school of being in her class, and am sad that I did not get to send my condolences sooner. Know that she was loved and appreciated by many, and I am thankful to God for the influence she had on me in my life. After I left her class, even many years later she would see my parents out and about and would always ask about me personally. She was a dear lady who loved greatly! Grace and peace to the family!
