“ *I just learned today at church that Frances had passed away. Frances was a very important lady to me. I started my Administrative Career under her tutelage. She taught me many things about being a successful principal. She was a dedicated educator who loved her students. She taught me that it is important to always be a lady no matter what the circumstances you faced.*

To her family I am so sorry for your lose. Frances loved her family and was very proud of each member. She always spoke very lovingly about her daughter, Barbara and son-in-law, John. She loved her grandchildren and just glowed when she spoke of them. I know you will miss her greatly.

I have lots of wonderful memories of Frances...she had a great sense of humor which she shared often in the appropriate setting.

I am blessed to have know Frances Bell.
