“ *Mike,*  
*Just learned of Franny's passing this week. No newspaper or computer at home. I did try several times to reach her, even went over to the trailer to no avail.*

*Franny was a fun force in life. And, I loved the family, her mama, her daddy and so much Steve. Miss them all.*

*Best to you and your daughter. To Kenny and family also.*

“ Cherished memories, precious lady and my best friend.

*Remembering September 25th...I visited her and brought her 2 chocolate, cream filled Krispy Cream Donuts. She ate both of them before her dinner came! I remember the cream oozing out one side of her mouth and us both laughing. I said, " Frances is there anything else you like besides donuts?" She remarked, " I like yellow cake with chocolate icing." So... I baked her a cake and brought it to her Sunday, September 29th. Never knowing this would be our last visit.*

*Your love for the LORD assures me that you are at peace. But, I miss you so very much dear FRIEND.*

“ I haven't been able to reach "Ma" by phone these past two weeks and started getting worried. My heart is breaking for Ma but I know this is what she has wanted every since Pop passed away. Ma has been a very special person to me for 23 years and will always hold a special place in my heart right beside Pop. Ma never hesitated to let everyone know that she considered me her daughter she never had. I felt the same way, Ma and I will always hold our memories very dear! It was by a stroke of luck that I even found out that you passed away. I love you very much!!!! Carolyn Elston

“ *Waiting at Heaven's Door*  
*Waiting at Heaven's Door - Helen Steiner Rice*  
*Death beckoned her with outstretched hand*  
*And whispered softly of an unknown land,*  
*But she was not afraid to go*  
*For though the path she did not know*  
*She took death's hand without a fear*  
*For God who safely brought her here*  
*Had promised He would lead the way*  
*Into eternity's bright day.*  
*For none of us need go alone*  
*Into the valley that is unknown,*  
*But, guided by our Father's hand*  
*We journey to the promised land.*  
*She was your special loving Mother*  
*You shared your lives with one another,*  
*And you'll find comfort for your grief*  
*In knowing her death brought sweet relief.*  
*For, now she is free from all suffering and pain*  
*And your great loss became her gain...*  
*You know that her love is with you still*  
*For she loved you in life and always will.*  
*Love like hers can never end*  
*Because it is the perfect blend*  
*Of joy and sorrows, smiles and tears,*  
*That just grew stronger with the years.*  
*Love like hers can never die*  
*For she's taken it with her to the sky...*  
*So think of Mum as living above*  
*No farther away than your undying love,*  
*For now she is happy and free once more*  
*And she's waiting for you at Heaven's door.*
