“ I was a member of the bowling team on which Frances bestowed her friendship for many years. She was a friendly, loving friend during that period and I loved her as a very close friend. She was my "girlfriend" for many years, and was much appreciated. We celebrated her birthdays and Christmas with her and hated to see her quit the bowling team. She was an inspiration to us all. I personally will miss her and extend my heartfelt condolences to her family for their loss. God loves you Frances and has taken you home. I also love you Frances.....
