“ Aunt Frances was always easy to talk to, fun to play games with or just be with. I have many wonderful memories to many to count. I know that she is finally at peace now. She has been battling her illness for such a long time and I am glad to see that she no longer has to do that. We loved her ever so dearly. I can't wait to see her in Heaven where she will be able to walk and play and be like her healthy self. 💜 All our love to Uncle Ron, Julie, Bill, Benay and Andrew.

“ Frances was a kind and very lovely person. I know that she and Ron wanted to be near her family in South Carolina, but we have missed having them here in Fayetteville. I still use her family cook book that she gave me many years ago, Ron, our deepest sympathy to you and to your family.

Sincerely,

Judy & Bill Roberts

“ I will always remember Frances as the person that was always willing to help anyone in need. We grew up together in our younger years and remained friends even though we were cousins. In the sweet home wedding I was her Maid of Honor and attended their 50th Anniversary party. Frances was a dear friend to me, I will miss Frances.

“ I have so many great memories of her, I remember family get together and her roast beef that she'd cook in the crockpot. I remember her cookies that you put in the oven after you turn it off. I remember going to play card games with uncle Ron and aunt Frances, and when I went to your Cousins Graduation in Anderson (I think that's where it was) with uncle Ron and Aunt Frances. I remember when she took me shopping at Rich's to buy a purse. I will forever have her in my heart because of all the memories I have with her.
