“ *My mother died when I was nine years old. I enjoyed coming over to play with Tara. While Tara was fun to play with. Mrs. Woods always made me feel special. One of the most memorable event of my childhood is Mrs. Woods piercing my ears at her house on Tudor Dr. with rubbing alcohol, ice cube and sewing needle. I pray you will find comfort in the wonderful years you shared together! Rest In Peace sweet wonderful Mother to all!* ”

“ People come in and out of your life all of the time. Some for a very brief moment, others remain with you through your whole journey, taking up residence in your heart and influencing decisions you make along the way. Frances Woods was one of those people for me. She cared for me as if I were one of her own children out of pure love. From first cars to first jobs, she was there to guide me. I will miss her dearly.

Mr. Woods, Tara, Tammy and Traci, my deepest sympathy are with you all. ~ Lea Anne

“ Growing up in the neighborhood, there was a couple of families that I was close to Seems like yesterday we would ride the bicycles down the road and see Mr. Woods outside working in his yard and more times than not Mrs. Woods wasn't far behind. I have nothing but good memories of these fine people. Mrs. Woods will be sorely missed by all that knew her. To Mr. Woods, Tara, Tammy and Traci ours thoughts and prayers are with you.
