“ *So many memorable moments with Aunt Janet and Uncle Frank. Especially playing late night dominoes in the kitchen with the big band music playing in the den and Uncle Frank singing away and Aunt Janet rolling her eyes at him. They had been like a second set of parents to me and my family and will never be forgotten. Kathy and Gary, you are in my thoughts. -- Terry (Sitar) Mace*

We just heard about Mr. Frank. Our thoughts and prayers to you, Gary and Kathy and the rest of his family. I went to see Mr. Frank about 2 years ago at his house and we had a great visit. I know my dad and him are talking about good old days now. You all take care and RIP Mr. Frank.

Frank was one of the last from the old neighbor hood in the Ridge where we grew up in the good old days. Everybody watched out for everybody and every adult their was a parent to all of us kids. RIP my friend and God be with the family.

*when my father (Joe), Uncle Frank's brother, passed 50 years ago. Uncle Frank & Aunt Janet took my two sisters and I under their wings. Now God has taken them under his wing. when we would say goodbye, he would say" goodbye son I love you", I'd say ":goodbye dad I love you too"
