“ We all loved Frankie. He always greeted us with a warm smile as we waited for the joke that would leave us laughing for the rest of the week. He learned from the master - Burnis. Many fond memories working in his rental shop but mainly playing with Tena and Teresa. Helping me chase down a pony I'd let out of the barn as it tromped through Burnis ' freshly planted garden. Of course we blamed each other for the mess. So sorry we can't be there for the funeral. He will be dearly missed. Charles and Valena
