“ Mr. Frank was an awesome man. Loved to sit and talk with him about deer hunts and his cars. He was very proud of his Studebaker's. A lot of wisdom and wit were a credit to Mr. Frank's character.
Our prayers are with the family during this time but rest in the Joy, Mr Frank is in a much better place.

“ There is a song that Vince Gill wrote and sings which contains the following lyrics:

*Go rest high on that mountain
Son your work on earth is done
Go to heaven a-shoutin'
Love for the father and the son*

Mr. Frank your work on earth was done with caring in your heart, kindness to everyone you knew and tremendous love for your family and friends, as well as your love for Jesus Christ. Yes, tears will be shed as goodbye is said on Monday, but we will take comfort in knowing that you are resting high on that mountain healed and made whole again. We know you entered heaven shouting your love for the Father and the Son and heaven has gained a most special angel. You have left a wonderful legacy of the person you were and always will be here on earth through your family and the numerous friends who you touched by having just known you. Now go rest high on that mountain in peace, until we meet again in heaven.

Mrs. Nancy, Tim, Mike and Family may God wrap you in his arms of love in the days ahead. May the wonderful memories you hold in your heart comfort you and yes even bring a smile and a laugh.
