“ *I want to express my sincere sympathy for the loss of your loved one. You can be assured that comfort and hope are found in the pages of the Bible. Revelations 21:4 speaks of a time when sorrow will be no more. This is a wonderful hope during our times of grief and pain. Please take care of yourselves.*

“ My dad was properly one of the most laid backed people that i knew. He was a excellent provider for his family. We never wanted for anything. My dad was a kind and caring person he would help anyone that needed anything. He was a hard worker in 30 years he only missed 3 days of work because his appendix was taken out. He was also a great poker player. He taught me how to play. i will miss him very much. I love you dad very much and i thank you for the honor of being your daughter. my love always

“ When I got the news that my grandpa passed away, I was heart broken. He was an important person in my life and will always hold a special place in my heart. Grandpa will be missed very much but, we all know that he is out of pain and awaiting us in heaven. I know that my grandpa is looking over us keeping us safe and sound. There are so many memories that I have of my grandpa. The most favorable one is, when I was little I would wake up every morning and go to the kitchen table and find that there was a kit-kat bar awaiting for me. I know that my grandpa loved me a lot, he just had his own way of showing it. I love you grandpa!
Love,
Nicole.##imported-begin##Nicole Keish ##imported-end##
