“ Fritz and I were childhood friends since I was 11 and he was 13. I can't say anymore about what a wonderful, loving person he was than has already been said. I can tell you that every time I ever spoke to Fritz over the years, he always talked to me about his family, about how much he loved Jan and Kim and their parents, about how proud he was of "both my boys" and how much he cherished his grandchildren. He told me on many occasions how blessed his life was because of his family. He always spoke of his sister Cathy and I saw from his youth how close he was to his parents. My mother said that once Fritz's mother told her that Fritz called her every day to check on her. One of my fondest memories of him was when he was 16 and I was 14, Fritz had just gotten his drivers license and his first car, a yellow convertible Monte Carlo.....he thought he was so cool riding through the neighborhood with the top down, giving all of us neighborhood kids a ride.....and he was cool!.....he'd drive us up to the gas station and have the attendant pump 50 cents worth of gas, which was about 2 gallons!! Fritz loved his cars.....I loved him very much and my heart is broken at his passing, my prayers are for Fritz's family to be carried on angels wings during this difficult time.....I'd like to think Fritz is looking down on all of us with a smile on his face, probably driving around heaven in some cool car.....

“ Jan, our hearts and prayers go out to you and your family. Although I had the priviledge of knowing him 10 or so short years I was always impressed by the way he made everyone feel comfortable and "at home" from the moment he met you. He will be greatly missed by all who knew him.

Fritz was one of the founders of the CSRA ROAD ANGELS CAR CLUB. We always enjoyed seeing him and Jan and watched Bart grow up from a little boy to a grown man. We shared many good times and car shows with them and if one drop of rain fell, we knew Fritz was gone.

“ I would like to send my sincere condolences to your family!

I met Fritz through delivering parts to Johnson's, and he was a delightful person. I was never there but a couple of minutes, but he always had a smile and a kind hello when I would see him.

Your loss, but no doubt heaven's gain! And your hope of seeing him again, on that great reunion day!

May you be comforted by his memories during the coming days!

“ My heart goes out to every family member and friend. Fritz was one of the kindest, God "fearing" man that I ever met. He never dwelled on his illness but always was concerned about everyone else's health problems. His memory will live on in the hearts of everyone that knew him while he is singing happily with all the saints in heaven, praising our most gracious, merciful, and loving Father. Family and friends will be in my thoughts and prayers.. Joyce Insley
