“ *Linda, I am so sorry for your loss. I just read this and will try to get there tomorrow but not sure I can. I remember all the good times we had with Fred and his sickness. If you need to talk, please call me. I am praying for GOD to give you the peace you need and the strength to go through this time in your life.*

“ My thoughts & prayers are with Linda, their  
kids, grandkids, & extended family. Fred was  
a good man who hired Malcolm when he just  
graduated high school. Fred was always a  
person who never met a stranger & often  
would joke around with me when I went to the ecology lab to see  
Malcolm & others to whom Fred worked with, He will greatly missed  
by all of the ones who knew him. I know he no longer suffering  
anymore & he in Heaven watching over his family especially his  
wife. God Bless this family.
