“ *To my Sweet Nana, You were always so much fun, always a smile on your face and a twinkle in your eye. You let me drive you all over the place before I even had my drivers license, such a cool nana! You always spoiled me with your love and attention.*

*To my Aunt Marie--You are a beautiful example to us all, to be better daughters to our moms. Thank you for all your love and care of our special Nana!  
Love you so much!

“ Nana,  
*It's hard to imagine a world without you in it. This is one of the hardest goodbyes/see you later's, but you instilled strength, and love in all of us. I will never forget you buying me one of my first cassette tapes at Walmart and taking us back to school shopping at Sears. I still have my Bobby Jack keychain and Simba will stay with me! I love you so much. When I say that, I can hear your voice in my ear replying "I love you too, baby." There will never be another person like you, Nana.*

“ *My sweet Aunt Fronell!! I so miss those growing up years.....my Aunt was a bright spot! When I picture Aunt Fronell's face I always see a smile! She made me laugh and I knew she loved me! As I have grown older I now know that she went thru so much...some of what I have experienced that has broken my heart. I wish I could have had moments in later years to talk to her about what we had in common regarding tragedy. The wisdom she carried from within would have helped! But even thru her hard times, my Aunt smiled....she laughed and made others laugh! So much of her is in her sweet Marie and her grandchildren. I look forward to hearing more stories about my Aunt! ❤️*

“ To Marie, Kristy, Kendra, Kayla, Kyle: You all have my deepest sympathy for the loss of your sweet mother and grandmother. A mother's and grandmother's love is always with her children and grandchildren. Losing a mother and grandmother is one of the deepest sorrows a heart can know, but her goodness, her caring, and her wisdom live on like a legacy of love that will always be with you. May that love surround you now and bring you peace. You all have my love and will be in my prayers! I love you all and may God give you peace and understanding that surpasses our own!
