“ Tommy and Kim- my heart goes out to you both during this very difficult time. Gail was such a sweet soul. I'd known her since we both were so little and, although we'd grown apart over the years, we had reconnected virtually. She will be missed by so many. Sending thoughts and prayers for comfort.

*I find myself thinking of Gail daily. I seemed to always have Gail and Mac on my mind. I still just cant seem to believe she is gone. She was always there for me. Gail and I became friends in High School. We picked right up where we left off when we re connected on Face Book years ago. Our love of our dogs made for many funny conversations. I remember she would be so excited when Tom and Kim were coming to see her. Seems like yesterday she was so excited about a heated blanket that Tom gifted her. She loved her family. She missed her family that had passed. She is with them now. I like to think of Gail like this..... Where we say Gail was. Heaven says Gail is! God Bless Tom, Kim, and Family and of course little Mac. We will all miss our Gail. No more pain. Just Joy!*

*There was a time back in high school when Gail and I were inseparable. Weekend nights spent doing girl stuff, talking about boys, buying the latest vinyl albums and during the week days, mom was constantly yelling "Tell Gail goodnight" because we lived on the telephone. I'll never forget our close friendship way back when. In fact, I cherish it more than words can express. I learned so much from her and much of what she knew was handed down by her beloved sister, Bonnie. Never on this earth have two sisters loved one another more. The thought of them together now makes me smile but the thought of Gail not being here is too hard to take right now. We will see you again my friend. I love you!*
