“ Gail n Herb,
You always let our boys play the piano on Sunday. They still remember. You made Lillian an apron for Christmas. I still have it. When you and Herb went somewhere you always brought me something. I still have these things. My best loved is the big Santa that has a spring in it. You touch it and it jumps. I love it. The grandkids love to touch it and watch it jump.
You were always in my thoughts and prayers. I love you

“ Gregg and I send our prayers and love to all of you. We had the pleasure of knowing Gail and Herb as they were supporters of our program Hilton Head Heroes. Little Herbie was one of the primary reason we got involved with children with cancer. Her kind spirit and smile were a gift to so many of us. With sympathy, Lindy Russell

“ *Gail was always so helpful at church she would help with costumes for the children during special events. I enjoyed all the years of service to our church. She had a heart of gold.*

Loved her piano playing, she knew how to play everything for the choir, she had played for so many years. I really appreciated Gail as a friend.
