“ *It was always a delight to see Gary with his son Deon at RECing Crew activities, especially baseball. He would come in the dugout and cheer the players on. He would make fun of my sign language ability. Recently, I saw him and Deon at a restaurant. He constantly thanked me for participating in the Miracle League, especially the baseball games. I told him that it was me who was truly blessed to be involved with parents and children like him and Deon. He was always nice to me and it was a pleasure to have known him. His passing makes me very sad, but I am happy to have spent some time with him and see the amount of affection others held for him as well. My heart is with the Baker family.*

“ *Uncle Gary*

You have always been an amazing man who had the ability to make anyone smile even on their worst day. Although some might say you were a “ladies man” with your big blue eyes and brilliant smile, everyone would say that you had a heart of gold and the patients of a saint. To say anything about you and not mention Deon is just not possible. You have been a remarkable father whose love for his son was not only evident but exhilarating. This world is a better place because you were in it and I know you will be watching over us from above. You are loved and will be dearly missed by us all.

*We love you,
Jason, Kay, Jessica and Julie*

“ My heart is very broken. I am praying for Gary's entire family. I love you all and consider you to be my extended family. My earliest memories are with the fabulous Baker boys. Bicycling around Lynnhurst and playing up and down the streets from sun up to sundown. Gary was always around, never considered an unwanted tag along rather just one of the gang. Rest in Peace Gary. I am so happy I saw you after you moved back and I enjoyed meeting Deon. If there is ever anything I can do for any of you, please don't hesitate to call. With deep sorrow. Nancy Widgeon Strauss
