“ So very sad to hear about the loss of my cousin, Gary. Our last visit together was at the McClain family reunion June 2013. He had called me about receiving the invitation and was delighted to be included and look forward to attending. During his visit he brought many old McClain family pictures to share with everyone. Some of the pictures I had never seen. He enjoyed the reunion and the opportunity to share his pictures. I have many fond memories of George Gary. Sandra and I extend our deepest sympathies to the family.
