“ Gary was my T-38 instructor at Moody AFB in Georgia in 1970-71. I graduated in Class 7107 and went on to be a T-38 instructor myself at Moody until 1974. He was an outstanding man and instructor. I loved his character and enthusiasm and I knew that I could trust him and that he would do anything in his power to help me. I see here, finally a great loss to many of us. Rest in peace, Gary.
