Scott, 6 yrs of the best friendship ever, we have shared hugs, laughter and tears. The love that you have for Asher is so remarkable. You loved him more than life itself. You were always there for me and Persephonie. You said that I made you feel like a teenager again with the midnight texts. My friend I would give anything to have one more day with you. Mr.and Mrs. Weaver, Scott loved you both so much. Mrs. Weaver he talked to me about your love for God and family. I was proud and honored to meet you yesterday. May God bless you and your family and surround you with love,peace and comfort.

“ My heart is with you Ma and Pa. I had recently talked with Scottie concerning one of his boxers. I always loved Scottie. He had such a loving and caring heart. Nicole loved him too. She told him before she passed how much she thought of him as her father and that some of her happiest times were when we were all together as family. .My heart is broken. I love you and Pa and the family so much and I am praying for all of you Ma I know how hard this is got to be loosing two sons. I can't imagine the pain but do like you told me Ma lean on God to give you strength. We will see them all again one day and oh what a glorious moment that will be. I love the whole family so much. You will always be my family.

“ Mr and Mrs Weaver, it's impossible to find the right words to express my condolences. I will say this, you raised wonderful boys into beautiful, kind men and I am honored to have grown up with them all. Scotty was the baby but never treated like he was not wanted with the big boys. He was so loved by so many and this is a hard hard loss for our community family. You are all in my thoughts and prayers. May he Rest In Eternal Peace. God bless you all. “ *So sad to hear about Scotty's passing. He reached out to me regularly to let me know how much my brother Shawn meant to him and how much he missed him. Some of my best memories of the two of them are when they were 9 or 10 years old, and they would lay a sheet in Clays front yard for their wrestling ring. He and Shawn were the "Howling Brothers" and would tag team against Clay. And, then they'd howl at the moon. I know his howling brother tagged him in with open arms Wednesday night! Prayers to all of you! You are precious to me. Meredith and Bruce Miller*

“ Dearest Scott Weaver,

Life is but a fleeting moment.

We talked for a very short period of time but I really felt like I have known you forever. Thank you for all the long talks about how much you love your son, your love for dogs, the fishing, and just talking everything about life. Thanks for cheering me up when I was down, when I needed a friend to talk to you were so generous with your time. Thanks for always reminding me that Shit happens but we have to bounce back and move forward.

Thank you for touching my heart.

You are a great man Scott.

I will always be proud that you are my friend. I am heart broken on the other side of the world but I find comfort knowing you are in better place there in Heaven.

No more pain Scotty. Sing that song you always sing to me in Heaven.

I will miss our random calls and talks.

I will miss you terribly.

Love from the Philippines ❤️😭

“ I would like to extend my deepest condolences to all of the Weaver family. Scottie and I have known each other since high school and have kept in touch through out these years. No matter how much time would pass between our calls or texts it always seemed not a day had passed, our friendship always picked right where it left off. I considered Scottie one of my dearest friends because of the caring, thoughtful, southern gentleman that he was. He would always be there for his friends in their time of need, even the ones who he truly should have turned away but didn't because of his huge, compassionate heart. I will always be grateful to have had the honor to have called him a true friend!!! Not many of us can claim to have had a friendship that lasted throughout 30 plus years, but in Scottie I believe with all of my heart that I had that with him. My heart is broken to think of my life not being able to just reach out to him if only for one of his warm bear hugs, that always comforted me when I needed and made me loved every time. Mr and Mrs Weaver I want to congratulate u on raising such a fine man!! He brought love and kindness to all who met him and I believe those traits begin at home. So thank you for bringing Scottie into this world, raising him with the morals and grace that you did, and lastly giving us, his friends, a chance to experience the fruits of your labor. He will forever be in my heart and I cherish the memories I have to fall back on when I'm tempted to pick up me to shout out to him. All of you all in prayers day in and day out. If there is anything at all that I could possibly do to help out with the house, etc. please do not hesitate to give me a call. Forrest and Robert have my contact information.
