“ *To the family of Gene. What a wonderful tribute that Poseys put together. I went to high school with Weldon and was in California when he passed away. That photo of him in the tribute reminded me of what a great family he was part of. God bless you all I'n you loss. What a great example of how a true mans life should be lived out.*

“ *Gene was truly a loving husband and father. I know he is with Edna in Heaven which was his dream. We would visit with them when she was in NHC and continued seeing and talking with him on a regular basis until his death. He will be missed by so many of us. May his family and friends feel God's presence even closer during this time of sorrow.*
