“ Granny, we know the reunion you are having has been amazing but you are missed so very much here on earth. Lord please wrap your arms around this family and comfort them in the days, weeks, months and years ahead.

This will be a huge adjustment but I promise we will make sure the babies will never forget their "granny". We will forever miss you and we love you granny!!! Fly high until we all meet again! And please watch over and protect Kayla and both stinker pots!!!!!!

“ Stacy, my heart is broken again. We loved her dearly. It's so ironic....she and mom were more like sisters than cousins. They shared a huge part of their lives together and even after both were married, their close relationship continued. And, it continued into our lives as well. We've had so many good times !!!! I am so glad we were able to bring Pete to visit Mom. That visit was priceless to both of them. Mom passed away on July 20, the day before Pete's birthday, and, Pete passed away on September 9, the day before Mom's birthday. You would think they had something planned 🤔. With those two, you never knew what the next minute would bring, but I suspect the whole gang are celebrating together !! Love you ❤️
