*My mother was the praying person I've ever known. Her faith in our God was unquestionable. She was always hard working and loving. She was strict in ways but in the purest love. I know and always knew her love was forever without condition for Barry and I. My Daddy had God's choice as his wife and what a choice. No one could have been better. It was amazing now thinking back what she did for us . We took it for granted because that was always for Mama. A true role model for my mother. I will always thank her and love her. We came way before herself. Nothing came before God but we knew from her teaching lean on him you will be ok. Thank You My Lord for Blessing me with such a beautiful woman as my Mother I will forever be grateful to God.

*Our mama was a very loving, caring, and wise person not only to her family but to her friends and anyone she met. She loved the Lord and was a faithful servant. When she prayed, she prayed in sweetest and most humble voice. I am forever grateful for the time I was given to spend with my precious mother. She will be missed by all.*
