“ To the family of Gladys: I was introduced to Gladys by my mother Aline Meeks over 30 years ago. Gladys was so very much loved and respected by my mother. I talked to my mother each day and there was always a few words about Gladys. I know Mom was waiting at the gate rejoicing when saw her best friend coming home. I wish the peace of God on each of her family and friends of the loss of this truly wonderful woman.

“ Gladys was a very special friend to me. I met her when we moved here about 34 yrs ago. She & Glenn taught square dancing at the Harlem Ward. Later we served together in the library in the Martinez Ward for quite a few years. It was there that we bonded. She was always the sweetest person I can think of. She was always smiling, especially with her eyes! Words cannot convey how I feel. She was on my mind this past week so much and I guess I know why now. God bless you Karen & Glynn & the rest of your family. You all were her pride and joy!

Thank you for the kind words she was the best mother and nanny. I was blessed to have great parents. She was the best person I know and hope we can continue to carry on her kindness.

Gladly is one of the first people I knew and was friends with here in Martinez. She has also been in my thoughts often during the past weeks along with her dear friend Aline Meeks. I am sure they are doing a lot of catching up on things now! Warren & I will miss her.

I was in the Martinez ward with Gladys. Her strong testimony of faith and love for her savior always uplifted me. She greeted everyone with love and her sparkling eyes. I'm so sorry for your loss.
