“ Paul,

I am so sorry for your loss.

Oren told me the story of how you met Grace back in 1970 and how your lives went full circle and you ended up being together again. A beautiful story.

I will call your name in my prayers and ask that you and your family be given the strength to make it through this difficult time.

I'll call in a few days to check in with you.

Hope to see you again soon.

God bless you.

“ *Most people never have the opportunity to see an angel, or simply don't look well enough to see them walking among us. This however does not mean that they don't exist, me i am one of the lucky few, not only have i seen an angel, I called her my friend. We will always be sisters of the heart . Love Ilene* *beck*”

“ Aaron, Roy, and Paul,
The Angels are singing and rejoicing. Grace has gone home to be with God and sing in his choir. One day we will all be together again so hold on to that. God will give you strength to get through this. Grace loved each one of you dearly and she was proud of her sons. Although you are sad your memories will carry you through. Your tears will soon turn into smiles.
You will always be close in my heart and prayers.

Paul and Family.....

Always remember, we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love.

Though some day we all have to part with those we love, they are not lost. We are always better for having loved. In this way, love transcends even death.

Our thoughts, prayers and heartfelt condolences are with you during your difficult time of loss.
