“ I met Grant through a friend, but hung out with him many times. He was always there for me to talk to or to help out with anything. He even had gotten me concert tickets so we could go and it was next Saturday. The caring guy he was, he gave them to me and the guy I am dating now because we would enjoy it more. I loved him and always will. He is in a much better place and is very missed.

“ It's hard to pick just one moment. I'm glad we were able to talk recently. A sudden wave of nostalgia drove me to look up old friends; Had I delayed a week I would have missed him forever. I let the Sabayon Linux crew know, and the Anime MUD crew send their condolences. We like to think he made our reunion in spirit if not in person.

“ He was the best person to enter my life. We knew each other for over 12 years. Every moment with him was better than the last. Everything is such a shock, I'm sorry I am unable to post a most treasured moment. I love him with everything that I am. He is at peace now with God.
