“ *I will miss Uncle Harold terribly. I have so many great memories of spending time with him. One time when I was a child on our trip to the mountains as he was driving I was sitting up front with Aunt Sara, in a split second his driving made me pop off that seatbelt and jump in the backseat to feel the security/safety of my parents, of course that made him feel terrible. To this day I have to drive the mountain roads instead of being a passenger. Lol*

“ I'm so sorry to hear about Harold's passing. I know my parents, Bill and Ruby Frier, enjoyed many fun-filled visits with Harold and Sara over the years. And my husband and son were so appreciative of his generosity and hospitality during the 2014 Masters Tournament, a truly memorable experience. My thoughts are with you all during this difficult time.
