“ To Mike, Gail, Whitney, Thomas, and all of the Mullan Family. We loved getting to know Moon, especially at the wedding. He was so special and a wonderful man who truly loved his family. I know you will miss him a lot. Love to all of you, and we are thinking about you today. Terry and Turner Bryson, Jr. Johns Island, Sc.

“ Moon was the first neighbor to welcome me into the neighborhood when I bought the home across the street years ago. I miss and always will seeing him out in his yard either cutting the grass or tending to his plants and seeing the lights on in the garage where he was most of the time working, knowing he always kept watch out for the neighborhood. My thoughts and prayers go out to all his family.

“ I will always remember Moon as a handsome, loving man who was my daddy's best friend. Lots of wonderful childhood memories of Sunday afternoons at the pool. 5 Mullan kids and 5 Roberts' kids made for a full pool and lots of fun. Mike and I are thinking of you all. Love, Cora Driver

“ I am so sorry for your loss. May comfort be found in knowing that even though, those whom we love may perish, all who are found in God's memory will come back to life. (Job 14:15 John 5:28,29 Acts 24:15) And what a beautiful time that will be. (Revelation 21:3,4)
