“ Henry was the first guy at SRS that took an interest in me on his shift and taught me so much. I would not have had the wonderful opportunities that I enjoyed had it not been for him. We hunted and fished together on the savannah river many times after work. God Bless Henry and his family during this time of grief. Thank you Lord for giving me many years with this wonderful friend!

“ I met Mr Henry and Gloria through my parents who were also members of Silvercrest. The Sunday school class went out for dinner once a month or so and mom and dad always let me know date and time so I met them often. I had so much fun with the class but especially loved Mr. Henry. I found out a few years ago he was the next door neighbor of a high school friend, Catherine Sutton and we would talk about how much we cared for him. It made me sad to get her message this morning but my sweet memories of him made me smile. Heaven has gained another angel.

Boot, as we called him, was my father-in-law. He welcomed me into the Holley family with kindness and always made me feel loved. Boot was a faithful Georgia Bulldog fan and GARY & I graduated from Clemson & are avid Tiger fans. We kept a friendly family rivalry going between the Dawgs & Tigers!! The sweetest memory I have of Boot came when GARY received a phone call from his Dad when we were on vacation at HHI. Boot called. To see if we would come home a day early from vacation to come to His church to see him get baptized!! Those were words that were answers to many prayers!

Of course we came home to witness Boots baptism! I know our boys still remember that day!

Boot was a kind, caring, gentleman but most of all He knew JESUS as his Savior & now Heaven is his home.
