“ *I will never forget all the time Hal spent with me as a child and all the chores and projects we did over the years, I like everyone else loved Hal very much and he handled his sickness with courage. They just don't make them like Hal anymore he served his life in service to others and is greatly missed.*

“ GOD looked around his Garden and found an empty place.

He then looked down upon the Earth and saw your sweet tired face.

He put his arms around you, and lifted you to your rest.

With the help of his Angels, they flew you to your Heavenly Quest, to GOD'S Beautiful Garden, where he always takes the best.

He knew that you were suffering and that you were in pain;

And that sadly, you would never be well on Earth again.

He saw the road getting rougher and the hills too hard for you to climb,

He closed your weary eyes and whispered, "Peace be ever thine."

It broke our hearts to lose you, but you did not go alone,

For part of us went with you, the day GOD called you home.

Rest In Peace dear Hal,

With Love,

Skip & Nancy
