“ My sympathy to the Martin and Wolfe family. I hope God's presense and love be with all during this difficult time!

*I am a old friend to H.L. from long ago we made many memories together, some good and some crazy.times we had! I knew him when we were really young as well.*

*From the time we cut school in the third grade until he got married.*

*(SOME MEMORIES I HAVE)..Some things I will keep to myself !!! Well we did take a paddling for skipping school (we were caught) I can assure you it wasn't the last time though..*

*When we played softball we were teenagers then.Roger Wolfe was our coach! Roger really did a good job with us.We were playing against mens teams and hanging right there with them.H.L. brought unity to the team,he could unify people more than anyone.He was very athletic and a very good player.But more than anything he made it fun for all of us..He had that charisma that only few people have.*

*Another time when we were dating sisters and we were renting a mobile home together in 1979-80, he was a rod buster working construction then with Roger.That was the good old times!*

*The visits to the Paradise club was some great times as well,but what I remember the most about that was H.L. He had your back when you were in a situation..Also he was a really good dancer. Girls did take note!!!*

*I will never forget his Kalasakai 1000, after taking me across the bridge at 120+, I told him I would never ride on the back again, he scared the sh\*\* out of me.Of course I did ,he promised to cut back some.He did..You could hear him crank it up every morning at Mrs. Wolfe's house.(grandma) Every body in Branchville knew it! And I lived over a half a mile away then!*

*The crazy things we did I won't forget, from diving off bridges, off the top of houses on the river to drag racing..Always pushing the envelope!That was H.L.*

*I want to end and say he was a good person a good friend..God bless the family!!*

*We will miss you old friend!!! Sincerely,Thomas Edwards.....*

“ *My thoughts and prayers to Aunt Martha and family. I remember H.L.'s cool, winged-back hair, flared-leg jeans, fast cars and his smile. My girlfriends used to go ga ga when they were around him. Not just because he was handsome, but because he was so sweet too. He always spoke so gently to us. 55 is so young to leave. You know he has a welcoming committee to greet him on the other side. Sitting here we all say please don't go - and there, they are all shouting, "Here he comes!" Wish I was there to give you all a hug. Love you lots and I send my deepest sympathy.*

“ *My sympathy goes out to the Martin family, I have known HL for many many years as he was married to one of my best friends. As we all grew older we all grew apart but I will always remember the love Linda had for him at the time. His brothers Mike & Alan and his little sister Wanda always thought the world of him, it is soo sad to loose a sibling. May Creator touch each of you and ease your sadness.*

“ I was Married to H.L from 1981 until 1986. We had two Beautiful sons together- Heyward & Craig. One of the things I will always remember about H.L is his sence of humor, his laugh and his sparkling blue eyes..... He liked nice things and took pride in keeping them looking nice, including his home. His Co-workers always said he was a hard worker and was the Best in his field. I remember when my grandma was down from New York and we lived in Edgefield, she said he looked like the Duke of Hazzard and drove his White Barracuda, as if he was Bo Duke.....lol....he liked fast cars.

As time moved on, ....we both went our separate ways- but the one thing H.L Blessed me with was our Sons and the wonderful memories of them growing up. I will Forever remember him, not in haste- but to have had a chance to know him.....God Bless
