“ I never went to Hamrick's without seeing Holly. She always was my go to, who helped me to make my decisions. I hadn't been for a while so I asked about her. I always saw her and I was told she had been in a wreck. I was floored and I didn't believe it. She was such a good person and always had a smile on her face. I know Hamrick's will miss her and all of her customers certainly will. Her and her family will be in my thoughts and prayers.

“ There wasn't a time I ever came in to Hollies department that we didn't chat for a few minutes, until last week. I noticed someone else working in Hollies department. As I had not been in the store for a while when I was checking out I asked the other Holly where Holly was? I then learned of her tragic accident. Holly will be missed a lot by all of us. I know she's in the arm's of Jesus and I know she's just fine.
