“ Coach McKie coached me in football, track and basketball at Myers Junior High School and Jenkins High School in Savannah Ga. in the late 60s. We had some great teams and a great coaching staff. Imagine my surprise to see him many years later in North Augusta watching my son (Mike) and his grandson Trey playing for an 8 year old baseball team coached by me and his son-in-law Rick Meyer. He looked just like I remembered him. Mike and Trey became close friends and were team-mates on many teams after that so I saw him often. He was a great man and always a class act.

*Our prayers are with the entire family during this difficult time. I can't help but think that he is already up there with a whistle in his mouth persuading someone to run another wind sprint.*

“ *Hugh and I were friends for about 70 years. We went to school together from Monte Sano thru Richmond Academy. We were ushers at the Miller Theater, salesmen at Penny's, went to the same church and Sunday School, played basketball together, double dated many,many times, after High School we went to Daytona together, and he was an usher in our wedding. We could be apart for long periods of time and when we did get together it was if we had never been apart. Our wives, Kay and Barbara, got along well and enjoyed being together. I will miss him, but I will see him again.*
