Such fond memories have been flooding my thoughts. She was a wonderful Aunt to me growing up; even a momma when my own was in the hospital fighting for her life and an amazing friend to my momma. I know they are enjoying being in heaven together. I can just imagine that conversation.

Sandra, Kay and Mark....I know the emptiness you feel when you lose your mother because you also lose your best friend. I am praying for comfort and peace for all of you and the rest of our family during this time and the days ahead.
