“ My dearest aunt Bon, I will miss your warm kindred spirit and beautiful soul. You have always been the matriarch of our family dedicated to making sure our family was provided for you worked very hard to help support family. We all have looked to you as our family advisor, provider, leader by example, and friend. You were always there for us no matter what and I am so very thankful and appreciative for you being such a big part of my life. I feel Blessed for all the true love, care, support and comfort you have given me over the years. God truly broke the mold when he made you, it is so rare to find so many wonderful genuine qualities. I will miss you dearly my heart aches that you are gone. I know God has a plan and he will give our family strength and comfort to help us through this very difficult time. I know you are with my mom now, you two had such a strong bond. When I find myself struggling with the grief of missing my loved ones I will pray for comfort and peace in knowing you are with God and all our family members who have passed. I will rejoice in the Glory of our God and Savior and pray we will all be together again someday in his wonderful kingdom. I will think of you often and cherish all my very fond memories of you. I know you are watching over us with your beautiful smile and you will give us strength, peace and comfort. Thank you for always being a wonderful, loving aunt.

Sincerely,  
Stacey Boots💕
