“ Brad, I was so sorry to learn of the dath of your father. I know that this is a very difficult loss for you and your family. Please know that I will be thinking of you and keeping you in my thoughts and prayers. It meant so much to see you at my brother Stephen's funeral in December and brought back some wonderful memories of you growing up with our family, especially Stephen and Bert. “ Jack was everything an uncle should be. He was greatly admired and, even though we weren't in touch regularly, I have always thought of him with love and appreciation for the man he was and how he always treated me. He was a good brother to my mom as well and for that I will always be grateful. Love and the sincerest wishes of sympathy to Marianne, Brad, Ginger, Christy, Marie, and all the family.
