“ It has been almost 3 weeks since you left us mom and I miss & love you very much. You are always in my thoughts. A son could not have had a better mom than you. The only thing that helps ease the sorrow of not having you here with us is knowing that you are in a better place. You are in heaven enjoying your new time with Grandma and Grandpa Whanger. You are back to your good old self again, free of sickness and pain.
Love & Miss You!

“ It's been two weeks since GOD took you away but it still feels like yesterday. I know you are in a better place, your health restored by GOD's good grace. They say in time it will get better but I do not see how, if only they could see the pain that fills our souls right now. We missed you at the wedding but know you were looking down, smiling on your grandson as he danced his wife around. So now I am going to be a grandma. I can't believe you will not be here to share in our joy but I know you will be watching over your great grandchild, little girl or little boy. We cherish all our memories and miss you more than you know, please be my GUARDIAN ANGEL watching over me below!

I LOVE YOU MOM!

“ *Do not stand at my grave and weep,
I am not there, I do not sleep.
I am in a thousand winds that blow,
I am the softly falling snow.
I am the gentle showers of rain,
I am the fields of ripening grain.
I am in the morning hush,
I am in the graceful rush
Of beautiful birds in circling flight,
I am the starshine of the night.
I am in the flowers that bloom,
I am in a quiet room.
I am in the birds that sing,
I am in each lovely thing.
Do not stand at my grave and cry,
I am not there. I do not die.##imported-begin##Mardi

“ I was very blessed and lucky to have met the Hedger family around 1979 when I was 14-15 yrs old. I was friends with Russ and Jackie's daughter, Mardi and subsequently married their son, Rusty. He and I had a daughter named Jamie, Jackie's first grandchild and even though we were very young, she was over the moon with the news. Although Rusty and I divorced many years ago, I remained close with the entire family. When I remarried, had another daughter and a close friend of Jamie's resided with us, we were all welcomed like family. Christmas was something we always looked forward to, it was a great time to see everyone, watch the children open their presents and visit. I can not express enough how much she meant to me, to her granddaughter's, of course, especially Jamie. The bond between them is and was always strong, loving, supportive and amazing. I truly believe no one can get enough love and encouragement or have too much family, no matter how the "family" comes to be. On behalf of Ron and myself, I want to send my regards and prayers to all of the Hedger family. I know your loss is great. I am just one of many that know how wonderful and very special you all are. I would like to send a special thank you to Jackie for all she meant to me and did for me, the difference she made in my life can not be put in to words, I just hope she knows how much she meant and was loved. This message could go on and on as there are many fond memories but Jackie knows and so does the family, some things you just can't find words for. With love and sympathy, may time help to lessen the pain of the loss and memories bring smiles to all of us.##imported-begin##Cathy Behe##imported-end##

“ Grandma taught us to live to laugh and to love, memories i will never forget. She stood behind us in everything we did and everything we ever wanted to do. She was caring yet strict and im proud to say she was a major influence in my life. You may not physically be here with us now grandma but i will never stop feeling your love and compation. Your memories will live on forever in our hearts. Family will never be forgotten. I love you grandma and will miss you more than you could ever imagine###imported-begin###Brian & Heather Fort###imported-end###

“I have you fast in my fortress, and will not let you depart, but put you down into the dungeon in the round-tower of my heart. And there will I keep you forever, yes, forever and a day, till the wall shall crumble to ruin, and moulder in dust away.”

The Children's Hour
-Henry Wadsworth Longfellow

Though I can no longer see you or hold you in a hug, your love and memories will forever be apart of me, my life, and the life of my son. I could not have asked for a stronger, more loving, more beautiful person to have been my grandma. I am truly blessed and my life was better because you were in it. I love you forever.##imported-begin##Jamie Lynn Hedger##imported-end##

“ *To Russ and family*

Jackie was very personable, with a GREAT sense of humor, as all of you know. Jackie went to school, with all the girl's in club. We all had lots of love and laughter, and fun with her. I remember, I was talking to Jackie on the phone when she, went into labor with Rusty. Remember all the good times! She will be missed!

Hugs and kisses from someone who cares,

“ Mom, Verna sent me this and I thought it was fitting. No matter what I did you were devoted to me and gave me unconditional love. I never knew what that meant until I had children. Thanks for teaching me to be the best mom I could be.

A Mother's Love

*A Mother's love is something
...that no one can explain,
It is made of deep devotion
and of sacrifice and pain,
It is endless and unselfish
and enduring come what may
For nothing can destroy it
or take that love away . . .
It is patient and forgiving
when all others are forsaking,
And it never fails or falters
even though the heart is breaking . . .
It believes beyond believing
when the world around condemns,
And it glows with all the beauty
of the rarest, brightest gems . . .
It is far beyond defining,
it defies all explanation,
And it still remains a secret
like the mysteries of creation . . .
A many splendoured miracle
man cannot understand
And another wondrous evidence
of God's tender guiding hand.*

“ Mom you are loved so much and will be missed dearly. I can't imagine this life without you but I know you are in a better place. You are now our Angel in Heaven watching over us. A part of my heart is now missing and it will never be whole again. You are such a loving, caring person with such a big heart. I will miss your smile and having coffee with you every morning. You and dad have taught us how to care and be compassionate. All the love, caring and compassion that filled you will live within us forever. Our grief is so overwhelming that sometimes I feel like I can't breath. I know in time this will get easier but I will never stop missing you. I LOVE YOU MORE THAN YOU WILL EVER KNOW!!!!###imported-begin##Jodi Hedger Saxon##imported-end##

“ We are deeply sorry to hear about your loss. There are no words that can take the pain away that you are feeling right now. I too (Ellen) lost my mother in Jan. We brought her home and she past 3 days later. We are so glad she made it home before going home to the Lord. Keep her memories in your hearts and she will "always" be with you. We will be keeping each of you in our thoughts and prayers. Please know how much we love and care for you. May the love of God be with you now an always! God bless you! “ *Am Always With You*
When I am gone, release me, let me go.
I have so many things to see and do,
You mustn't tie yourself to me with too many tears,
But be thankful we had so many good years.
I gave you my love, and you can only guess
How much you've given me in happiness.
I thank you for the love that you have shown,
But now it is time I traveled on alone.
So grieve for me a while, if grieve you must
Then let your grief be comforted by trust
That it is only for a while that we must part,
So treasure the memories within your heart.
I won't be far away for life goes on.
And if you need me, call and I will come.
Though you can't see or touch me, I will be near
And if you listen with your heart, you'll hear
All my love around you soft and clear
And then, when you come this way alone,
I'll greet you with a smile and a "Welcome Home".
