“ I was blessed to be in the LiveStrong Program for cancer survivors at the "Y". She was such a joy to be with and an inspiration to us all. She was precious in God's eyes and a delight to everyone. May her family find comfort in the many warm, happy memories she created while still on this earth. We will rejoice to one day be reunited in heaven.

“ I worked with Jackie for over ten years. I feel blessed to have known her. Such a strong, sweet, hard working lady. She was to me, the perfect southern lady.

“ Jackie and I were friends on the basketball court in High School. She was always easy going, calm and sweet. As we reconnected just in the past year, I always enjoyed our telephone conversations. We were beginning to spend more time together when she got sick. I will miss her so much. I can truly say she was the easiest person to love that I have ever known. I know I will see her again in heaven. God bless you, Larry. You and your family are in my prayers.

Jackie was a classmate of mine at Jenkins County High. She was always a sweet girl with a smile for everyone. These pictures bring back great memories! I will keep the family in my prayers during this time. Always sad, but especially at a holiday!

“ *Jackie and I were classmates at Jenkins County High School and remained friends for over fifty years after that. She has always been a warm, caring, and loving person. Despite the fact that visits with her were infrequent, our bond remained strong. I will miss her smile. My sincere condolences to her family.*
