“ Dearest Jake, You were such a sweet and thoughtful person. I have many good memories of our time together with your Dad and Uncle Carl. They were a trip all by themselves weren't they. The cabin in the mountains and train ride to Dillsboro. The trip to Pigeon Forge and of course the Quack Quack parade leaving the Appletree restaurant. Those were great family times. Thank you for your love and respect for me and the little talk we had at Carlton's visitation. That meant so much to me! I will never forget your sweet smiling face. We will have "our visit" in Heaven. Much love always. Aunt Sue

“ The smile, mischievous and cute, the laid back, I am not gonna hurry attitude. The slyness. You were Josh's best friend, his brother, his teammate. Lindsey had the biggest crush on you from the time she was 10 until well probably age 20...yes that long. I have a hole in my heart because you are gone but will treasure the memories you gave us.
