“ Jackie we met in high school and from that moment on I knew we were always going to be close. I am so sorry this happened to you. You didn't deserve to go so soon especially not in this way. I know we will meet again. I love you so much. Say hello to my nana for me.

“ I'm so sorry for your loss. I loved Jackie, she was a great friend. She had a carrying heart, especially she had one for children. It showed thru my granddaughter Isabella. She helped me with something back in 2016. She was a great friend and an awesome mother. I will truly miss her. Fly high baby girl. R.I.P.

“*Jacqueline always made me laugh like no matter what. Like a few weeks ago we went to the China 8 because she wanted Chinese and she said we had to go there like I literally had to repark in the same parking lot because I was literally going to the one my family always went too. But we went inside and I was like “order whatever you want “ she said she wanted wings so I was like “ 6 or 12” and she was like 25 i don’t know why that still makes me laugh but it does . And she ate almost all of them but four because I took some but she did not know that . But she can put down some wings or pizza. But I love you Jacqueline. You’ll always be the best big sister out there.*
